Secondary school application

Dear Parents/Carers,

As you may be aware, the deadline for completing the secondary transfer application form is **Monday 31st October 2022**. The application form needs to be completed online.

Parents and carers are invited to attend a short meeting on Wednesday 14th September at 3:30pm. The meeting will be held in the year 6 classroom and here, you can ask any questions about the secondary application process. This meeting will be combined with the school journey meeting (see other letter).

If you would like support with the application, we are providing an 'apply online session' in our computer suite on Wednesday 12th October from 8:30am until 10:00am. The session aims to assist parents with registering on the eAdmissions website and completing the online application. You will be able to submit the application during the session too. Staff will be on hand to assist should you have any queries about the process or need help with your online application.

It is in your child's best interests to visit the secondary schools you are considering applying for, so that you and your child can make an informed decision on which school is best for your child. We recommend you visiting a range of schools, as some schools are over-subscribed and therefore can be very difficult to get in. I have attached the list of Southwark and Lewisham schools. On each website, will be details about open days.

Please inform us if your child will be off school for an open day. We also ask that your child is only absent from school during the actual open day session, not for the whole day, to limit disruption to learning.

If you would like more information about the secondary school transfer process, please do not hesitate to contact me.

Many thanks for your continued support.

Yours sincerely,
Georgia Powell Davies
Deputy headteacher
