Wednesday 7th June 2023

Dear parents/carers,

I hope this letter finds you well. As we approach our school journey next week, I wanted to provide you with a few important reminders to ensure a smooth and enjoyable experience for our Year 6 students.

Firstly, there has been a **slight change in the timetable for the first day** of the trip. The coach will now be departing after lunch, which means the children will have their lunch at school. Therefore, there **is no need for them to bring packed lunches** unless they typically have one.

Additionally, I have included another packing list overleaf should you need it. Please ensure that your child is prepared with appropriate clothing, as many of the activities will require long sleeves and long trousers. This will ensure their safety and comfort throughout the trip.

Don't forget that children will be allowed to bring some of their own snacks for school journey. They can bring 4 snacks with them (one to have on each day of the trip, apart from Friday). These should be handed to staff, who will give them out each day. Please only provide snacks for your own child, and not to share with others.

Lastly, I would like to emphasize the importance of medication. If your child requires any medication during the school journey, please make sure it is properly labelled with instructions from the pharmacy and your child's name. This should be handed to a member of staff on arrival at school on Monday morning.

If you have any further questions or concerns regarding the school journey, please do not hesitate to reach out to me.

Yours sincerely,

Mr Gibbs
