

Pilgrims' Way Primary School

Bermondsey and Rotherhithe Children's Centre

Manor Grove, London, SE15 1EF

27th February 2024

Dear Parents/Carers,

There have been several incidents this week where children in Year 6 have been communicating online through various platforms such as WhatsApp, YouTube and Fortnite.

This has led to a negative behaviour and the use of inappropriate language. I am aware that school has communicated with parents on numerous occasions that primary aged children should not be accessing any of these platforms online as they are not mature enough and can lead to mental health and self-esteem issues for many children.

If you have not already done so, I would urge you to delete all inappropriate platforms from all your children's devices immediately. I would also encourage you to ensure that devices are only for contacting family members and that children should not be contacting each other at all outside of school except through planned events that you have given permission for.

Please do not hesitate to contact me if you have any questions about any of these matters.

Many thanks for your continued support.

Kind regards,

Gregory Doey
