## \* What your child will be studying this term – Year 2 Days to Remember/ Where in the World? English Maths In reading, we will build on our understanding of phonics. In maths, we will be focusing on number this term using We will use our knowledge of phonics to help us read the white rose maths programme. We will be focusing on aloud. We will learn tricky new words which will help us •place value and knowledge of numbers up to 100 when reading. We will discuss what we have read and •Number bonds to 10, 20 and 100 answer questions about the text to show our •Deriving related facts (e.g.) 3 + 4 = 7 so 30 + 40 = 70 understanding. We will use a range of high quality texts •Addition and subtraction of 2-digit ad 1 digit as a basis for our writing. We will make sure that we numbers create sentences which make sense and we will show an •Recognising equal groups for division understanding of punctuation in our sentences. We will •Doubles write simple narratives and short non-fiction pieces. We Making amounts of money and finding change will use some conjunctions to join sentences together (and, so, but, because.) We will use our knowledge of phonics to help us spell. We will practise our handwriting daily - making sure that we are forming our letters correctly and that they are the correct size. We will learn the Y2 common exception words. Science (white rose science) **Computing** – Algorithms, programming and We will be learning about mammals', birds', fishes', coding amphibians', reptiles' and humans' needs for survival. We will understand that an algorithm is a set of We will also investigate ways in which humans can instructions which lead to an outcome and we wil stay healthy. We will be exploring different learn to sequence instructions. We will learn that materials and carry out simple tests. We will also the list of instructions we give a computer is called identify ways we can reduce plastic waste in school. a program. Geography - The Continents and Oceans of the **History** – Bonfire Night/ Remembrance Day. We will learn about the events leading up to the World. gunpowder plot and Guy Fawkes's role in the We will name and locate the world's seven gunpowder plot. We will use sources to find out key continents and name a country in each continent features of the event and recognise ways in which (except Antarctica) using maps, atlases and globes we celebrate Bonfire Night. We will also use to locate the continents. We will use simple sources to find out about Remembrance Day compass directions and directional language to including what happens on the day and the describe the position of the continents. We will significance of poppies. name and locate the world's five oceans and use aerial photographs and maps to recognise landmarks. Art – (Access art) **D.T** – (Kapow scheme) We will become familiar with the idea that artists We will make a make a moving monster and make are inspired by exploring and collecting things in linkages using card for levers and split pins for and around the environment. We will create our pivots. We will also design a healthy wrap based on own land art. We will also work in sketchbooks food combinations which work well together. using a variety of media. **R.E** –We will be exploring 'What do we mean by God?' **PSHE – Family and relationships** We will learn about how families are all different wand ways in which we can manage our friendships.
