Dear Parents/Carers,

RE: School Council poppy selling

As you may be aware, your child has recently been selected as a school council rep for their class. As part of this role, the children will be fund raising for the Poppy Appeal over the next two weeks. This will involve the children staying 5/10 minutes after school to sell poppies to parents and pupils. As a group, the children created a rota for each day (please see below). The children will be supervised by an adult.
